RESPONSE TO OFFICE COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Communication (copy attached) mailed 07/30/2003, Applicants
submit herewith the paper copy of the Sequence Listing.

In accordance with 37 CFR § 1.821(g), the undersigned avers that the content of the
computer readable form of the Sequence Listing that has been forwarded from the parent application
serial number 09/312,172 is the same as the Sequence Listing in written form and that the submission
includes no new matter.

Respectfully submitted,

Jill A. Fahrlander

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This application contains sequence disclosures that are encompassed by the definitions for nucleotide and/or amino acid sequences set forth in 37 CFR §§1.821(a)(1) and (a)(2). However, this application fails to comply with the requirements of 37 CFR §§ 1.821 through 1.825 because it lacks any submission of a paper copy of the sequence listing for the specification. It is again noted that applicants have stated that this application contains a paper copy sequence listing, but that yet another diligent search of the instant filed has failed to reveal such a paper copy, as filed. Applicants are also informed that the computer readable sequence listing has been forwarded from the parent application serial number 09/312,172. The replies filed on 1/6/03 and 5/19/03 are not fully responsive to the prior Office Action, mailed 12/12/02, because of the above sequence rule non-compliance. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).** Failure to respond to this requirement may result in abandonment of the instant application or a notice of a failure to fully respond to this Office action.

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center located in Crystal Mall 1. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1988), 1156 OG 61 (November 16, 1993), and 1157 OG 94 (December 28, 1993)(See 37 CFR § 1.6(d)). The CM1 Fax Center number is either (703)308-4242 or (703)305-3014.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ardin Marschel, Ph.D., whose telephone number is (703)308-3894. The examiner can normally be reached on Monday-Friday from 8 A.M. to 4 P.M.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Woodward, Ph.D., can be reached on (703)308-4028.

Any inquiry of a general nature or relating to the status of this application should be directed to Legal Instrument Examiner, Tina Plunkett, whose telephone number is (703)305-3524 or to the Technical Center receptionist whose telephone number is (703) 308-0196.
